

AGRICULTURAL VETERINARY ASSOCIATES

Is proud to announce Joseph Bender, D.V.M., M.S., has joined our food animal veterinary practice.

Dr. Bender, from Mount Joy, Pennsylvania, received his Bachelor of Science from The University of Findlay, and his Doctor of Veterinary Medicine and Masters in Veterinary Preventive Medicine/Microbiology from Iowa State University.

His professional interests include dairy nutrition, cow comfort and milk quality.

Dr. Bender enjoys golfing, antique tractors, re-finishing furniture, and helping on the family dairy farm in Mt. Joy.

Agricultural Veterinary Associates is dedicated to improving the:
Health and Welfare of your Animals.
Health and Productivity of your Herd.
Health and Success of your Business.

Our practice provides service in South Eastern Pennsylvania. For more information, visit our website at www.agvets.com or call our office at (717) 625-4212.
