

# K&K FEEDS LLC.

Purina Feeds and Grains

**CORNERSTONE™**  
FULL GROWTH POTENTIAL

LAND O LAKES® Colostrum Replacement is the **ONLY** USDA licensed colostrum replacement in the U.S. ensuring each lot is tested for efficacy.

Blood serum products only contain 50% of IgG1, where as 95% of the IgG in LAND O LAKES Colostrum Replacement is IgG1.

Result in Taller Longer Calves that develop into healthy heifers that can reach the milking string sooner and help meet milk production goals.

Introducing AMPLI Calf® Technology – a revolutionary breakthrough for calf starters! AMPLI-Calf® Technology delivers upon all key producer expectations for calf starters:

**Superior calf starter intake**  
**Superior structural growth**  
**Superior weight gain**  
**Superior health solutions**

23 North Park Street, Richland, Pa 17042
